<i>Planning Regulation 2017</i> (Schedule 10)	Not Applicable
Regional Plan	Section 2.2 of the Planning Scheme identifies that the Cape York Regional Plan has been adequately reflected in the Planning Scheme. A separate assessment against the Regional Plan is not required.
State Planning Policy (SPP), Part E	Section 2.1 of the Planning Scheme identifies that the superseded version of the <i>State Planning Policy</i> is integrated in the Planning Scheme. A review of the current version of the SPP (July 2017) and mapping has determined that the state interests are adequately reflected in the Planning Scheme and no additional assessment provisions in the current SPP (Part E) or updated mapping are applicable requiring further assessment against the SPP. However, amendments to any part of the SPP or supporting mapping may result in a local planning instrument no longer appropriately integrating a particular State interest. In these instances the SPP and/or the supporting mapping apply to the extent of any inconsistency.
Temporary State Planning Policy	There are no Temporary State Planning Policies.
